Meeting called to order 3:40m pm

No minutes are available from the last meeting

Since the town passed the budget override proposition 2 ½, the budget went through with the \$1900 increase we asked for.

The "My Senior Center" software is keeping track of attendance and doing the reporting except it does not create labels for the newsletters. Cookie is doing the labels manually for 1500 names.

The proposed salary increases are still within the budget. A motion was made and approved for increases for the van drivers and the director, assistant director, and program coordinator.

The Friends continue to support programs. Event statistics were reviewed. the Walk program has 33 participants with 1,269 miles walked.

The newsletter is now 12 pages (up from 8 pp.) and covers all concerts and programs. 21 surveys from the last page of the newsletter have been completed and returned.

A volunteer recognition event was held April 24 at Florence Pizza. Volunteers were given \$25 gift certificates.

Geri presented an idea for a Bar bQue at the Service Net pavilion for late in the summer. She thinks 50-60 people would attend, pre registration required. It would start at 4 pm. Shawn says that the Rooster Café could supply potato salad, cole slaw and cookies. We could use tents that they have, or we could rent a big tent for \$1800. We would charge for the plate and hot dogs and burgers which would be purchased from the Restaurant Depot.

Geri proposed a Health Fair for September.

Donation including April and May total \$12, 418.

Meeting was adjourned at 5:00 pm. Motion made by Ellen, 2nd by Pearl.
