Genealogical Research

The Town of Hatfield was founded in May of 1670 and as such some of our earliest records are births, marriages and deaths from Hadley and Northampton.

NOW AVAILABLE RESEARCH ON-LINE

❖ HATFIELD VITAL RECORDS - 1660-1844

Vital Records in the Town Clerk's office include:

- Birth records for Hatfield from 1668 to present.
- Early Birth records for Hadley dating back to 1660
- Early Birth records for Northampton dating back to 1655
- Marriage records for Hatfield from 1670 to present.
- Early Hadley Marriage records dating back to 1661.
- Early Northampton Marriage records dating back to 1655.
- Death records for Hatfield from 1671 to present.
- Early Death records for Hadley dating back to 1660
- Early Death records for Northampton dating back to 1655

Research is not done by the Town Clerk's office, but Researchers are welcomed to examine the records in the Town Clerk's office during normal business hours. Please call ahead to schedule time for your Genealogical Research.
