## Community Preservation Committee Minutes of November 17, 2021

Attendance: Mr. Wagner, Mr. Powell, Mrs. Hahn, Mr. Wilkes  
and Mr. Bartlett

Call to order 6:10

Four applications were received for the 2022 grant year. The Hatfield Historic Museum, Mill River Pedestrian Bridge, Smith Academy Park Pavillion, and Smith Academy Walking Path projects have been submitted for consideration.

The Hatfield CPA has accrued a considerable ability to fund current projects due to higher levels of state input and limited applications over the last two years. The expected balance of all accounts after the next local CPA taxation should exceed \$1,800,000. Approved grants that have not yet been spent equal approximately \$400,000, leaving \$1.4M available for new projects. Debate on this year's application will begin on December 15.
