Call to order 6:10

The committee discussed the select board's intention to use the second floor of the town hall for offices. CPA grants were earmarked for the future use of the second floor as a museum. In 2011 and 2012, proposals for ADA improvements were accepted at town meeting granting funds from the historical preservation and unrestricted accounts.

DPW Director Genovese has informed us the tree replanting account has \$ 6700 and he would like to continue to use the funds as needed. He has also applied for a grant to fund reconstruction of the Old Mill bridge.

The Old Mill will soon be under new ownership and the exterior renovation may soon begin. The CPA committee has made significant grants to this area and is hoping a more comprehensive plan including water recreation access can be worked out.

The committee voted to accept the minutes of April 29. M: Hahn S: Powell
