1) **RDA Hearing 36 Dwight St, inground pool**

Nadia Wright of Juliano's Pool is presenting the plan for an inground pool at 36 Dwight Street. Mike Laude and John Klepacki are the applicants. The plan is to construct a new 22x36 inground pool and concrete patio with 4' safety fence with a self-latching gate. Virginia Martell inquires about erosion control. Nadia Wright verifies that there will be no stockpile of soil or any soil runoff. Water will be pumped out of the excavated area. Small discussion on silt fencing and the location of the fencing. The Commission is satisfied with the plan presented. Chair Hennessy would like to do a site visit upon the start date of the project. Brian Williams makes a motion for a negative, 3, determination with the condition of a site visit prior to the start date and verification of the silt fence location. Motion passes unanimously.
