Elizabeth Kugler

January 22, 2021

This is a message from the Town of Hatfield

As of today 01/22/2021, the Town of Hatfield currently has 8 active cases.
There are no active cases in the School Community at this time.

Again a reminder to you that the weekly report from the state that was released yesterday reports the Town of Hatfield as being in the “red”. These past few weeks, as you have seen with the Monday notices and robo-calls, Hatfield has had a higher than usual number of cases.

The state report released that comes out every Thursday contains 14 days of data information. These 14 days end the Saturday before the report comes out.

It’s important for residents and employee’s to be aware that every Monday the town presents the most updated information of cases at that point on Monday via social media and our robo-call.

The B.O.S., B.O.H. and Covid committee gather daily information from numerous sources so we always have the most up-to-date information to share with the community.

If anyone has questions or concerns please call the town hall and/or email the Covid Coordinator. 413-247-9200 option 4 or kflaherty@townofhatfield.org

Stay safe, stay healthy!!

Kerry Flaherty
COVID Coordinator
