Board of Selectmen

Diana Szynal, Chair

Edmund Jaworski

Brian Moriarty

July 13, 2020

This is a message from the Town of Hatfield. As cases of the COVID-19 Coronavirus continue, The Board of Selectmen and the Board of Health feel it is important we take measures to protect our employees and residents to reduce the spread of the virus.

The Town Hall remains open with limited hours. Town Hall hours will be Tuesday's from 9am–1pm and Thursday's from 1pm–5pm. All parties wishing to enter the building will be required to sanitize your hands and wear a face covering of some type which you must bring with you. Only one customer will be allowed per office at a time. ENTRY and EXIT to the Town Hall will only be allowed through the side door closest to the new ramp. People are still encouraged to do as much business with the Town Hall offices via email, phone, online billing payment or using the drop back which is located at the back side corner of the south of the building. Parking is not allowed in the driveway as this is a FIRE LANE. Playgrounds and basketball courts remain open. **Town Hall will NOT be opening full days on Tuesday and Thursday yet, we will keep everyone informed once this changes.**

As we enter Phase 3 Step 1, there are many changes that have come along. Please go to www.mass.gov and select reopening plans at the top of the website where you can find all guidelines for everything that is opening and what they should be following. All questions, concerns and complaints can be directed to the COVID Coordinator at any time, she can be reached at 413-247-9200 ext. 105 or email kflaherty@townofhatfield.org. All information gets forwarded to both the BOS and the BOH so that all boards are up-to-date with the information and questions.

As of today, Monday, July 13, 2020 the Town of Hatfield has 1 new case, totaling 18 for the town, and 17 have been released from quarantine. Please continue to follow the CDC guidelines and adhere to the 6' social distancing recommendations and if not able to do that you MUST be wearing a mask or mouth and nose coverage, wash your hands with soap and water for 20 seconds or use alcohol based hand sanitizers.

The town will be providing updates every Monday evening as new information becomes available. Residents are encouraged to go to the town website and click on the CodeRed link on the home page and register to make sure you get all emergency notifications from the town.

Stay healthy, Stay safe

Kerry Flaherty
COVID Coordinator
