This is a message from the Town of Hatfield. As cases of the COVID-19 Coronavirus continue, the Board of Selectmen and the Board of Health feel it is important we take measures to protect our employees and residents to reduce the spread of the virus.

Our community has seen an increase in COVID-19 activity in the past week.

We presently have 10 confirmed cases. Of these cases, 7 are from 2 households. One of the cases is part of our Elementary School Community.

The school department and Covid Coordinator Team have each notified parents. Please continue to follow the CDC guidelines and adhere to the 6' social distancing recommendations and you **MUST** be wearing a mask.

The Town Hall is open to the public Monday thru Friday, 8:30am-4:30pm. Some offices do have specific office hours and you are encouraged to check the town website for more information.

All questions, concerns, and complaints can be directed to the COVID Coordinator at any time, she can be reached at 413-247-9200 option 4 or email health.agent86@gmail.com.

The town will be providing updates every Monday evening or as new information becomes available. Residents are encouraged to go to the town website and click on the CodeRed link on the home page and register to make sure you get all emergency notifications from the town.

Stay safe, stay healthy!!
