REMINDER

Everyone using the town playgrounds and basketball courts, please be following the guidelines listed below. The town has advised multiple times and put signs up reminding everyone of what is expected of them while using town/public space during the COVID pandemic. If everyone continues to not follow the guidelines that are put in place, the playgrounds will be closed and the hoops at the basketball courts will be taken down until further notice. The town does not want to have to do this, however we have a responsibility to be keeping everyone as safe as possible during this pandemic. Any questions or concerns please feel free to reach out to the COVID Coordinator via email or phone which is listed below, and she will help you in any way. Thank you for your understanding.
