Public Hearing

Chair opens the Public Hearing

Chair Slys explains that the engineer of the applicant is sick and is unable to attend the meeting. Applicant, Bernie Smiarowski is present for the Hearing, and has made a request to the Board to continue the Public Hearing. He would like to wait until his engineer is available to present the project and accurately answer any questions.

Bob Wagner makes a motion to continue the Hearing to their next scheduled meeting which is next Wednesday May 4th. Paul Dostal seconds. The Motion passes. The Public Hearing is continued to May 4th.

Some of the Public share their concern over the continuation of the Hearing. Question arises from the public asking how they can give their input on the project heard if they are not available next week. The Board points out that there will be remote access via the web. Bob Wagner and Chair Slys also recommend submitting a written statement that can be read by the Board on their behalf. Small discussion on this format. Bernie Smiarowski reiterates that they had another engineer available tonight but that he is not as versed on the project and felt that the lead engineer would be better equipped at answering the public and the Boards concerns and questions.

Approvals of minutes

Bob Wagner makes a motion to approve the April 6th meeting minutes. Jimmy Tarr seconds. Motion passes.

Board Discussion

Small discussion on potential projects that are on the Planning Board's radar for the future. Bob Wagner comments that he has heard from neighbors on Depot Rd concerning ongoing truck traffic. Small discussion on the matter. Police have been notified about speeding on the road and the Enforcement Officer is aware of the truck concerns.

Next Scheduled meeting is May 4, 2022

Jimmy Tarr makes a motion to close the meeting. Bob Wagner seconds. Motion passes.

Meeting adjourned at 6:26 PM
