NOTICE OF PUBLIC MEETING
TOWN OF HATFIELD MA
West Street Sewer & Water Expansion, Phase 2

The Conservation Commission will hold a public meeting on August 12th, 2021 at 6:00 PM at Memorial Town Hall, 59 Main St. The project up for discussion can be described as follows: The project consists of the installation of a wastewater pump station, approximately 575 feet of 4" DI force main, a river crossing by means of 16" steel conduit, one fire hydrant, and connecting the proposed sewer manhole to the proposed pump station by 8" PVC gravity sewer pipe.

Conservation Commission
Chair Bob Hennessy
