

Hatfield CTY Telephone Notification System

The Town of Hatfield CTY Telephone Notification System was launched on August 22, 2007. Since then several calls have been sent to each household in Hatfield for various reasons. On behalf of the Emergency Management Committee, the form below is for households who do **NOT** have a published telephone number, or who would like to add an additional cell phone/work number or email address to the system. What that means is that you would receive call from **ONLY** Hatfield Departments needing to reach your household to pass along important information they need to share with you. If you did **NOT** receive any calls from the Fire, Police, School, DPW, Council on Aging, or Town Hall in the last few months and would like to add your telephone number or other information into the system, please fill out the form below and drop it off at the Council on Aging office, Fire Department office, or the Police Department at Memorial Town Hall. **Just added is the option to receive only Emergency calls OR Emergency AND Public Service Announcements pertaining to meetings, etc. You MUST check the box below and return the form if you want to receive ALL calls.** ALL information is kept confidential and will only be used for the Emergency Notification System.

Hatfield CTY Telephone Notification System

Please fill out and return bottom portion of this page as soon as possible.

.....cut here.....
