

Hatfield Planning Board Soliciting Input on Master Plan Update

The Hatfield Planning Board, in cooperation with the Pioneer Valley Planning Commission, is updating the Land Use Section of the 2001 Hatfield Master Plan and public officials and citizens are invited to "join the conversation" and contribute ideas at a public meeting **Wednesday, November 14th**, 7:00 p.m. at Smith Academy Library located at 34 School Street.

This public meeting is being held to give Hatfield residents, town officials/boards/commissions/departments, business owners and others who are interested in Hatfield's future an opportunity to express their own opinions and ideas of how Hatfield should grow over the coming decades.

The Town of Hatfield has contracted with the Pioneer Valley Planning Commission to help undertake this Master Plan update which is funded by the Massachusetts Department of Housing and Community Development's District Local Technical Assistance Program.

The final update will be available on the town's website in January 2013 at <http://www.townofhatfield.org/>.

For more information about the planning process, please contact Larry Smith, Pioneer Valley Planning Commission Planner, at (413) 781-6045.
